

Ronald McDonald House®
Providence

Keeping families close™

Pull for the Ronald McDonald House of Providence

Collecting Pop Tabs is an easy way to help the House. In fact, it is a great way to learn about philanthropy and the importance of recycling, while raising funds to help children and their families at the same time.

We collect pop tabs because they are pure high-quality aluminum, unlike cans, which consist of aluminum and other alloys. Tabs are also easier to store and more sanitary than whole cans.

We have collection houses for you and your group to use for your Pop Tab collection. Please call us at (401) 274-4447 if you'd like some.

When you are ready to deliver your pop tabs give us a call.

Pop Tab Fun Facts:

- It takes 1,280 pop tabs to make one pound
- We receive approximately 70 cents per pound
- It would take about 63,360 pop tabs placed end-to-end to reach a mile
