

Thank you for hosting a WISH LIST DRIVE For Ronald McDonald House Charities® of New England

Ronald McDonald House Charities of New England develops, supports and provides programs that directly improve the health and well-being of children and their families.

We fulfill our mission by supporting families of seriously ill children and creating programs that keep families close to each other and to the vital health care services they need.

Please consider holding a Wish List drive at work, church or school, or next time you're at the store, consider picking up a little something to share with the House. Your kindness will be remembered long after your gift is used. For a printable version, please [visit our website!](#)

Suggestions for organizing a wish list drive

1. Talk to others to gain support.

Share information from our website or social media sites and tell people why you're involved, to generate excitement.

2. Spread the word.

You can use email or social media to spread the word about your collection - link your pages to our [Wish List webpage](#). We recommend using this poster but if you'd like to create your own, please contact (401)274-4447 to get our approval. You can also print and distribute copies of our wish list.

3. Gather supplies.

Some people set up collection boxes for donors to contribute to the Wish List. Be sure to display your poster on your collection boxes in visible but secure locations. Other people collect Wish List items in lieu of holiday, birthday or wedding gifts.

4. Say thank you.

Be sure to thank those who contribute to your wish list drive.

5. Drop off donations.

Deliveries to RMH Providence: Please feel free to deliver items at your convenience any day of the week between 9 AM and 8 PM. We'd be happy to give you a House tour while you're here. If you have any questions, please call (401) 274-4447.
