

Keeping families close™

Keeping families close™

Thank you for hosting a WISH LIST DRIVE For Ronald McDonald House of Providence

The Ronald McDonald House of Providence provides a warm and caring home-away-from-home for families of hospitalized children 365 days per year. We have the same household needs as you have in your own home...except we have 28 bedrooms!

Please consider holding a Wish List drive at work, church or school, or next time you're at the store, consider picking up a little something to share with the House. Your kindness will be remembered long after your gift is used. For a printable version, please [click here!](#)

Suggestions for organizing a wish list drive

1. Talk to others to gain support.

Share information from our website or social media sites and tell people why you're involved, to generate excitement.

2. Spread the word.

You can use email or social media to spread the word about your collection - link your pages to our [Wish List webpage](#). We recommend using this poster but if you'd like to create your own, please contact (401)274-4447 to get our approval. You can also print and distribute copies of our [wish list](#).

3. Gather supplies.

Some people set up collection boxes for donors to contribute to the Wish List. Be sure to display your poster on your collection boxes in visible but secure locations. Other people collect Wish List items in lieu of holiday, birthday or wedding gifts.

4. Say thank you.

Be sure to thank those who contribute to your wish list drive.

5. Drop off donations.

Please feel free to deliver items to RMH Providence at your convenience any day of the week between 9 AM and 8 PM. We'd be happy to give you a House tour while you're here. If you have any questions, please call (401) 274-4447.

Thank you for your support and for helping to ensure our families are able to rest easy during their time here!

RMH Providence – 45 Gay Street – Providence, RI 02905 - (401)274-4447 – rmhprovidence.org

- 9V Batteries

A full list is available on our website: www.rmhprovidence.org

About the Ronald McDonald House of Providence:

Founded in 1989, the Ronald McDonald House of Providence provides programs that improve the health and well-being of children and their families. These programs allow families to spend additional time with a sick child, help ease financial burdens, provide a sense of normalcy and keep families together during times of medical crisis. RMH Providence is a temporary home for families with hospitalized children that is located next to Women & Infants', Hasbro Children's and Rhode Island Hospitals. RMH Providence just completed a major expansion to add 10 more bedrooms and additional program space.
