

Pop Tabs

Collecting Pop Tabs is an easy way to help the House. In fact, it is a great way to teach kids about philanthropy and the importance of recycling, while they raise funds to help children and their families at the same time.

We collect pop tabs because they are pure high-quality aluminum, unlike cans, which consist of aluminum and other alloys. Tabs are also easier to store and more sanitary than whole cans.

When you are ready to deliver your pop tabs call us at [\(401\) 274-4447](tel:4012744447).

1,280 = Number of pop tabs to make one pound.

63,360 = Amount of pop tabs placed end-to-end to reach a mile.

We receive approximately 70 cents per pound.
