

Donate Your Spare Change

A Small Gift Can Make A Huge Impact!

Through our Spare Change program, you can support RMHC of New England with every purchase you make! By doing simple everyday things you do already, such as purchase a cup of coffee, buy groceries, get the dog groomed, or even shop online, you have the opportunity to support families with critically ill children.

How does it work?

- Each time you make a purchase, your total is automatically rounded up to the next dollar.

Buying an ice cream cone for \$1.75? 25 cents is donated to RMHCNE!

- At the end of each month your total spare change will be donated to RMHCNE.
- Set a monthly limit for your donation. \$5, \$10, \$25+, every dollar helps!
- Safe & Secure – Credit card and bank information is encrypted by your institution and heavily protected using bank-level security protocol.
- You can opt out anytime.
