

# Ronald McDonald House at Boston Harbor

## Meals with Love (Delivery!)

After spending a long day at the hospital by their child's side, coming back to a warm meal at our House makes a big difference to families. When dealing with a child's illness, often times families do not have the time or energy to prepare a healthy meal for themselves. Thanks to YOU our generous volunteers, our Meals with Love program has provided comfort and support. You have filled our family's bellies while feeding their souls.

**Pediatric illness does not pause for a pandemic, we are committed to ensuring families receive the consistency and comfort our programs provide by offering alternative options of support. Now more than ever we need your help!**

### Meals with Love- Delivery!

While in person volunteer restrictions are in place we are introducing a modified version of our Meals with Love program. With your help, we will safely deliver catered meals from some of our favorite neighborhood restaurants, to our family's doors.

In lieu of preparing a meal onsite at the Ronald McDonald House, we are asking for gift cards to our neighborhood restaurants. Click below to be directed to online gift card purchase
