New England

Pull for the Ronald McDonald House Charities of New England

Collecting Pop Tabs is an easy way to help the House. In fact, it is a great way to learn about philanthropy and the importance of recycling, while raising funds to help children and their families at the same time.

We collect pop tabs because they are pure high-quality aluminum, unlike cans, which consist of aluminum and other alloys. Tabs are also easier to store and more sanitary than whole cans.

Pop Tab Drop-off Locations:

Ronald McDonald House Boston Harbor – 250 1st Ave. # 318 Boston, MA 02129
