

Adopt A Room

opportunities for giving

AT A GLANCE

A year-long sponsorship of a bedroom, apartment or common room.

By sponsoring a room, you will have a direct impact on the families who call Ronald McDonald House "home". Your support helps us keep families close while they access critically needed pediatric healthcare at some of the best hospitals in the country, right here in New England.

Thank You!

We are proud to recognize Adopt a Room sponsors with the following:

- Signage in the adopted space, which is seen by hundreds of individuals each year
- Recognition in our newsletters, on our website, social media and in our annual impact report.

For more information, visit our website rmhcne.org or email Ellen Simmons at esimmons@rmhcne.org

YOUR SPONSORSHIP PROVIDES families with all of the care, comfort and resources necessary to focus their energy and attention on their sick children. When families face a medical crisis, being together is a crucial part of the process. Without the houses, families would spend nights sleeping in their children's room or even in a car, as most families cannot afford a hotel room for weeks or months.

Ronald McDonald House of Boston Harbor*

Help us provide all of the comforts of home to a family during their most challenging time by adopting an apartment, living room, bedroom or a kitchen in our Boston Harbor location.
